# Stock Aluminum Holders for Ez-Flex™ Strip Brush

WORKSHEET

IWFBM.0909  
**[metric]**

Ez-Flex is available with other filament diameters. Please ask your sales representative for details. Standard brush material is Nylon (code BL). Polypropylene (code BP) is available. FDA approved filament and backing are available; ask your sales representative about FDA approved materials for nylon and polypropylene Ez-Flex brushes. Ez-Flex flexible strip brush can be provided in continuous lengths in rolls (typically 30.48 meters or 45.72 meters) or as individual strips cut to your specifications.

**All measurements in millimeters.**
